Jihad Flayhan is the General Manager of NEXtCARE Lebanon. He is responsible for developing strategic planning and recommending technological and financial opportunities ensuring the company's strategy and objectives are met. Jihad has supervised and headed the steady growth of NEXtCARE in Lebanon year on year through effective planning and monitoring of the assigned accountabilities. The company is today the leading Third Party Administrator in Lebanon offering an array of solutions and services tailor made to the need of the customer. Jihad holds over 11 years of experience in the insurance industry, and is committed on driving management's effectiveness throughout his current and future journey. Jihad is a graduate of the Lebanese American University with a BA in Business Administration.
